

# The Brockmoor Foundry Company Ltd

## QUALITY POLICY STATEMENT

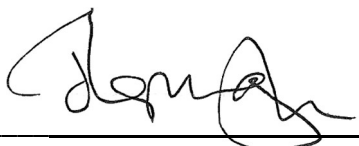

The Brockmoor Foundry has a reputation as a supplier of high-quality SG iron castings, and through its commitment to quality and technological advancement it expects this reputation to be significantly enhanced in the future.

Through the commitment of all employees, the Company aims to adopt a philosophy of continuous improvement, which is demonstrated through the following objectives: -

- To minimise both internal and Customer rejects levels.
- A Commitment to meeting all current and future Customer requirements.
- Improving Customer Delivery performance to ultimately achieve our goal of 100% on time delivery.
- Improve the environment for employees and the surrounding area through continuous development of ISO 14001.
- Continuing to make technological advances through investment.
- To continue to improve all aspects of our quality management system in line with our IATF 16949 & ISO 9001 approvals.

The measures which are employed and communicated to verify the objectives of the continuous improvement programme are detailed within the Business Improvement Plan.
